[HISTORY: Adopted by the Mayor and Common Council of the City of Gloucester City 5-28-2009 as Ord. No. O16-2009. Amendments noted where applicable.]

Be it ordained by the Mayor and Common Council of the City of Gloucester City as follows:

§ 51A-1. Findings; purpose.

The City Council of the City of Gloucester, New Jersey, hereby finds and declares that graffiti is detrimental to the health, safety and welfare of the community and that there is a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase of crime, is detrimental to the property values of the community, degrades the community and leads to urban blight

and is inconsistent with the City of Gloucester's property maintenance goals and aesthetic standards.

- A. Graffiti results in visual pollution and is hereby deemed a public nuisance.
- B. It is the purpose of this chapter to provide a mechanism in which individuals may be prosecuted for defacing public and private property.
