Mayor Billy James
c/o City Administrator Jack Lipsett
512 Monmouth Street
Gloucester City, NJ 08030

Dear Friends:

Thank you for inviting me to the groundbreaking of the Gloucester City Water Treatment Plant. Unfortunately, prior commitments prevent me from sharing this event with you.

Gloucester City's new water treatment facility will ensure that the residents of the city receive the absolute highest quality water. By providing residents improved public utilities, such as water treatment, Mayor James and the Common Council have effectively worked together to improve the quality of life for their constituents. Gloucester City has many new and exciting opportunities for residential and businesses alike. The water treatment plant will aid in drawing even more interest to this historically and culturally rich area of South Jersey. I commend those individuals who made this project possible.

Once again, thank you for inviting me to this special event. I am pleased to count myself among your many supporters and wish you all the best.

Sincerely,

A handwritten signature in black ink that reads "Frank R. Lautenberg". The signature is written in a cursive style with a large, prominent "F" and "L".
