The Commissioners appointed by the Mayor shall, within ten (10) days after their appointments, take and subscribe to an oath that they will faithfully and impartially perform the duties imposed upon them, and shall, within sixty (60) days after their appointment, make their report to the governing body of Gloucester City and file it with the City Clerk of Gloucester City, in which report the boundaries and dividing lines of the wards and of the election districts or precincts shall be properly described, together with a statement of the population of each ward as nearly as can be ascertained, and a map showing the lines and the extent and boundaries of such wards and districts or precincts, all of which shall be attested and certified by the Commissioners under their hands and shall remain of record in the office of the City Clerk.
