REPORT OF AUDIT OF FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2014

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and
Members of the City Council
City of Gloucester City
Gloucester City, NJ 08030

Report on the Financial Statements

We have audited the accompanying statements of assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the City of Gloucester City, in the County of Camden, State of New Jersey, as of December 31, 2014 and 2013, and the related statements of operations and changes in fund balance - regulatory basis for the years then ended, and the related statement of revenues - regulatory basis, statement of expenditures - regulatory basis, and statement of general fixed assets group of accounts for the year ended December 31, 2014 and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the financial statements are prepared by the City on the basis of the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the City of Gloucester City, in the County of Camden, State of New Jersey, as of December 31, 2014 and 2013, or the results of its operations and changes in fund balance for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to previously present fairly, in all material respects, the assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the City of Gloucester City, in the County of Camden, State of New Jersey, as of December 31, 2014 and 2013, and the results of its operations and changes in fund balance - regulatory basis of such funds for the years then ended, and the revenues - regulatory basis, expenditures - regulatory basis of the various funds, and general fixed assets, for the year ended December 31, 2014 in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, as described in Note 1.

Other Information

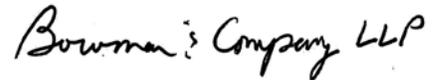

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the City’s basic financial statements. The supplemental financial statements presented for the various funds are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and are not a required part of the basic financial statements. The accompanying schedules of expenditures of federal awards and state financial assistance programs are presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and State of New Jersey Circular 15-08-OMB, *Single Audit Policy for Recipients of Federal Grants, State Grants, and State Aid*, and are not a required part of the financial statements.

The supplementary financial statements presented for the various funds and the schedules of expenditures of federal awards and state financial assistance programs are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information described in the previous paragraph is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated July 28, 2015 on our consideration of the City of Gloucester City's, in the County of Camden, State of New Jersey, internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the City of Gloucester City's internal control over financial reporting.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and
Members of the City Council
City of Gloucester City
Gloucester City, NJ 08030

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey of the City of Gloucester City, in the County of Camden, State of New Jersey, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated July 28, 2015. That report indicated that the City of Gloucester City's financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America, but were prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Gloucester City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of City of Gloucester City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings and Questioned Costs as Finding Nos. 2014-001 and 2014-002 that we consider to be significant deficiencies.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether City of Gloucester City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under Government Auditing Standards or audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey and which are described in the accompanying Schedule of Findings and Questioned Costs as Finding Nos. 2014-001 and 2014-002.

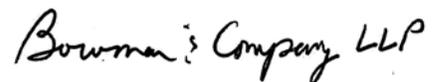

The City of Gloucester City's Response to Findings

The City of Gloucester City's response to the findings identified in our audit is described in the accompanying Schedule of Findings and Questioned Costs. The City's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Description of Financial Reporting Entity - The City of Gloucester City was incorporated in 1868 and is located in Camden County, New Jersey. The population according to the 2010 census is 11,456.

The City has a Mayor-Council form of government known as the Mayor-Council Plan A under the Optional Municipal Charter Law of 1960, popularly known as the Faulkner Act. The Mayor is separately elected. Executive and administrative responsibility rests with the Mayor, who is assisted by the City Administrator.

Component Units - The financial statements of the component units of the City of Gloucester City are not presented in accordance with Governmental Accounting Standards Board Statement No. 14, as amended by GASB Statements No. 39 and No. 61. If the provisions of GASBS No. 14, as amended by GASBS Nos. 39 and 61 had been complied with, the financial statements of the following component units would have been either blended or discretely presented with the financial statements of the City, the primary government:

Gloucester City Library
 50 North Railroad
 Gloucester City, New Jersey 08030

Gloucester City Economic Development Corporation
 P.O. Box 602
 Gloucester City, New Jersey 08030

Annual financial reports may be inspected directly at the offices of these component units during regular business hours.

Basis of Accounting, Measurement Focus and Basis of Presentation - The financial statements of the City of Gloucester City contain all funds and account groups in accordance with the "Requirements of Audit" as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the Requirements of Audit are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these "Requirements." In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this Note.

In accordance with the "Requirements," the City of Gloucester City accounts for its financial transactions through the use of separate funds which are described as follows:

Current Fund - The Current Fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State grant funds.

Trust Funds - The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

General Capital Fund - The General Capital Fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****Basis of Accounting, Measurement Focus and Basis of Presentation (Cont'd) -**

Water and Sewer Utility Operating and Capital Funds - The Water and Sewer Utility Operating and Capital Funds account for the operations and acquisition of capital facilities of the municipally owned Water and Sewer Utility.

Budgets and Budgetary Accounting - The City of Gloucester City must adopt an annual budget for its current and water/sewer utility funds in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the governing body to introduce and approve the annual municipal budget no later than February 10 of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date the budget was introduced. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the City's financial statements.

Cash, Cash Equivalents and Investments - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost. Consequently, unrealized gain or loss on investments has not been recorded in accordance with Governmental Accounting Standards Board Statement No. 31.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of Governmental Units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the Governmental Units.

The cash management plan adopted by the City of Gloucester City requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

Interfunds - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Inventories of Supplies - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

General Fixed Assets - Accounting for Governmental Fixed Assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and Budget Circular A-87 (Attachment B, Section 19), except that the useful life of such property is at least five years. The City has adopted a capitalization threshold of \$5,000, the maximum amount allowed by the Circular. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at their estimated fair market value on the acquisition date. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation. The City is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements and transfers of fixed assets. In addition, a Statement of General Fixed Assets, reflecting the activity for the year, must be included in the City's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that includes accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage or theft.

Utility Fixed Assets - Property and equipment purchased by a utility fund are recorded in the utility capital account at cost and are adjusted for disposition and abandonment. The amounts shown do not represent replacement cost or current value. The Reserve for Amortization and Deferred Reserve for Amortization accounts in the utility capital fund represent charges to operations for the cost of acquisition of property and equipment and improvements and contributed capital.

Foreclosed Property - Foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments and to return the property to a taxpaying basis. For this reason the value of foreclosed property has not been included in the General Fixed Assets Account Group. If such property is converted to a municipal use, it will be recorded in the General Fixed Assets Account Group.

Deferred Charges - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

Liens Sold for Other Governmental Units - Liens sold on behalf of other governmental units are not recorded on the records of the tax collector until such liens are collected. Upon their collection, such liens are recorded as a liability due to the governmental unit net of the costs of the initial sale. The related costs of sale are recognized as revenue when received.

Fund Balance - Fund Balances included in the current fund and utility operating fund represent amounts available for anticipation as revenue in future years budgets, with certain restrictions.

Revenues - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from Federal and State grants are realized when anticipated as such in the City's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the City's Current Fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due the City which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

Property Tax Revenues - Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1. The amount of tax levied includes not only the amount required in support of the City's annual budget, but also the amounts required in support of the budgets of the County of Camden, Gloucester City School District, and the Gloucester City Library. Unpaid property taxes are subject to tax sale in accordance with the statutes.

School Taxes - The municipality is responsible for levying, collecting and remitting school taxes for the Gloucester City School District. Operations is charged for the full amount required to be raised from taxation to operate the local school district for the period from January 1 to December.

County Taxes - The municipality is responsible for levying, collecting and remitting county taxes for the County of Camden. Operations is charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations is charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10 of the current year and due to be paid to the County by February 15 of the following year.

Library Taxes - The municipality is responsible for levying, collecting, and remitting library taxes to the Gloucester City Library. Effective 2011, the amount of library tax is a separate local levy tax and is remitted to the library through the municipal budget.

Reserve for Uncollected Taxes - The inclusion of the "Reserve for Uncollected Taxes" appropriation in the City's annual budget protects the City from taxes not paid currently. The Reserve, the minimum amount of which is determined on the percentage of collections experienced in the immediate preceding year, with certain exceptions, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations.

Expenditures - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

Expenditures (Cont'd) - Appropriations for principal payments on outstanding general capital and utility bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis; whereas interest on utility indebtedness is on the accrual basis.

Appropriation Reserves - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Lapsed appropriation reserves are recorded as income.

Long-Term Debt - Long-Term Debt, relative to the acquisition of capital assets, is recorded as a liability in the General Capital and Utility Capital Funds. Where an improvement is a "local Improvement," i.e. assessable upon completion, long-term debt associated with that portion of the cost of the improvement to be funded by assessments is transferred to the Trust Fund upon the confirmation of the assessments or when the improvement is fully and permanently funded.

Compensated Absences and Postemployment Benefits - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

Note 2: **CASH AND CASH EQUIVALENTS**

Custodial Credit Risk Related to Deposits - Custodial credit risk is the risk that, in the event of a bank failure, the City's deposits might not be recovered. Although the City does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings, bail funds, or funds that may pass to the municipality relative to the happening of a future condition. Such funds are shown as Uninsured and Uncollateralized in the schedule below.

As of December 31, 2014, the City's bank balances of \$9,216,044.32 were exposed to custodial credit risk as follows:

Insured Under FDIC	\$ 959,522.32
Collateralized Under GUDPA	8,106,781.85
Uninsured and Uncollateralized	<u>149,740.15</u>
Total	<u>\$ 9,216,044.32</u>

2010	501,098.80	350,000.00	69.85%

Note 7: **INTERFUND RECEIVABLES AND PAYABLES**

The following interfund balances were recorded on the various statements of assets, liabilities, reserves and fund balance as of December 31, 2014:

<u>Fund</u>	<u>Interfunds Receivable</u>	<u>Interfunds Payable</u>
Current Fund	\$ 246,395.01	\$ 219,709.55
Federal & State Grant Fund		246,313.96
Trust - Other Funds	68,181.51	
Trust - Animal Control Fund		6.25
Trust - Community Development	151,528.04	
General Capital Fund		74.80
Water & Sewer Operating Fund	42.95	
Water & Sewer Capital Fund		42.95
	<u>\$ 466,147.51</u>	<u>\$ 466,147.51</u>

The interfund receivables and payables above predominately resulted from payments made by certain funds on behalf of other funds. During 2015, the City expects to liquidate such interfunds, depending upon the availability of cash flow.

Note 8: **PENSION PLANS**

The City of Gloucester City contributes to two cost-sharing multiple-employer defined benefit pension plans, the Public Employees' Retirement System (PERS) and the Police and Firemen's Retirement System (PFRS), which are administered by the New Jersey Division of Pensions and Benefits. In addition, City employees may participate in the Defined Contribution Retirement Program (DCRP), which is a defined contribution pension plan and is also administered by the New Jersey Division of Pensions and Benefits. Each plan has a Board of Trustees that is primarily responsible for its administration. The Division issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

State of New Jersey
Division of Pensions and Benefits
P.O. Box 295
Trenton, New Jersey 08625-0295

Public Employees' Retirement System - The PERS was established in 1955. The PERS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:15A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 62, P.L. 1994, plan members enrolled in the Public Employees' Retirement System were required to contribute 5% of their annual covered salary. Effective July 1, 2008, however, in accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members were required to contribute 5.5% of their annual covered salary. For employees enrolled in the retirement system prior to July 1, 2008, the increase was effective with the payroll period that began immediately after July 1, 2008. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contribution rate increased to 6.5% plus an additional 1.0% phased-in over seven years. The phase-in of the additional incremental member contribution amount began July 1, 2012 and increases each subsequent July 1. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, the statute also requires the return to the normal rate when such surplus pension assets no longer exist.

The City is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

<u>Year</u>	<u>Normal Contribution</u>	<u>Accrued Liability</u>	<u>Total Liability</u>	<u>Pension Deferral</u>	<u>Paid by City</u>
2014	\$ 60,497.00	\$ 243,620.00	\$ 304,117.00	\$ 17,336.00	\$ 321,453.00
2013	108,122.00	215,109.00	323,231.00	16,833.00	340,064.00
2012	136,896.00	229,857.00	366,753.00	16,617.00	383,370.00

Police and Firemen's Retirement System - The PFRS was established in 1944. The PFRS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:16A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 204, P.L. 1989, plan members enrolled in the Police and Firemen's Retirement System are required to contribute 8.5% of their annual covered salary. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contribution rate increased to 10% in October, 2011. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, statute also requires the return to the normal rate when such surplus pension assets no longer exist.

Note 8: PENSION PLANS (CONT'D)

The City is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

<u>Year</u>	<u>Normal Contribution</u>	<u>Accrued Liability</u>	<u>Total Liability</u>	<u>Pension Deferral</u>	<u>Paid by City</u>
2014	\$ 350,956.00	\$ 524,737.00	\$ 875,693.00	\$ 69,289.00	\$ 944,982.00
2013	425,224.00	513,458.00	938,682.00	67,492.00	1,006,174.00
2012	501,162.00	523,281.00	1,024,443.00	67,004.00	1,091,447.00

The City was also billed in 2014, \$19,907.29 and \$92,298.71 for retroactive pay employer share of PERS and PFRS, respectively.

Pension Deferral – Public Law 2009, c.19 (S-21) was enacted on March 17, 2009 and allowed the Division of Pensions and Benefits to provide non-state government pension system employers the option of paying the full amount, or an amount that reflects a 50 percent reduction of the normal and accrued liability component of the PERS and PFRS obligations for payments due in the State fiscal year ending June 30, 2009. The payments were due on April 1, 2009 (with a grace period until April 30).

Repayments began April of 2012 over a 15 year period. The amount will fluctuate based on pension system investment earnings on the deferred amount. The City applied for and received approval from the Local Finance Board to defer a portion of the 2009 liability due for both PERS and PFRS.

Related Party Investments - The Division of Pensions and Benefits does not invest in securities issued by the City.

Defined Contribution Retirement Program - The Defined Contribution Retirement Program (“DCRP”) is a single-employer defined contribution pension fund which was established on July 1, 2007, under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007 (N.J.S.A. 43:15C-1 et. seq.), and expanded under the provisions of Chapter 89, P.L. 2008 and Chapter 1, P.L. 2010. The Defined Contribution Retirement Program Board oversees the DCRP, which is administered for the Division of Pensions and Benefits by Prudential Financial. The DCRP provides eligible members, and their beneficiaries, with a tax-sheltered, defined contribution retirement benefit, along with life insurance and disability coverage. Vesting and benefit provisions are established by N.J.S.A. 43:15C-1 et. seq. Currently, there are no participants in the program.

Note 9: POST EMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS

The financial statements of the City are not prepared in accordance with Governmental Accounting Standards Board Statement No. 45. The following information is provided in accordance with the requirements of the Statement.

Plan Description

The City of Gloucester City’s defined Postemployment Benefits Plan (the “City Plan”), a single employer plan, allows employees retiring with twenty-five (25) or more years of service with the City of Gloucester City to receive fully paid health, prescription, and dental benefits.

Funding Policy

The contribution requirement of the City is established by policy of the Council and reflected in the various union contracts. The Council may amend its policy, subject to contract inclusion, as deemed necessary. The required contribution is based on projected pay-as-you-go financing requirements. For the years 2014, 2013 and 2012, employer’s contributions to the plan were \$169,233.50, \$140,683.15, and \$121,469.25 respectively.

Note 9: **POST EMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)****Annual OPEB Cost and Net OPEB Obligation**

The City's annual other postemployment benefit (OPEB) cost (expense) is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The following table shows the components of the City's annual OPEB cost for the year, the amount actually contributed to the Plan, and changes in the City's net OPEB obligation to the Plan:

	<u>2014</u>	<u>2013</u>	<u>2012</u>
Normal Cost	\$ 724,203.00	\$ 886,385.00	\$ 886,385.00
Unfunded Actuarial Liability	<u>2,197,405.00</u>	<u>1,601,774.00</u>	<u>1,601,774.00</u>
Annual Required Contribution (expense)	2,921,608.00	2,488,159.00	2,488,159.00
Contributions made	<u>(169,233.50)</u>	<u>(140,683.15)</u>	<u>(121,469.25)</u>
	2,752,374.50	2,347,475.85	2,366,689.75
Net OPEB Obligation (NOO) - Beginning of Year	18,670,399.17	15,620,022.32	12,682,614.90
Plus: Interest on NOO - Beginning of Year	<u>840,167.96</u>	<u>702,901.00</u>	<u>570,717.67</u>

Funded Status and Funding Progress

As of December 31, 2014, the most recent actuarial valuation date, the City Plan was 0% funded. The actuarial accrued liability for benefits was \$35,793,283.00, and the actuarial value of assets was \$0, resulting in an unfunded actuarial accrued liability (UAAL) of \$35,793,283.00. The covered payroll (annual payroll of active employees covered by the plan) was not provided, therefore, the ratio of the UAAL to the covered payroll was 0%. Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented below as required supplementary information, compares the assets used for funding purposes to the comparable liabilities to determine how well the City Plan is funded. The actuarial liability is compared to the actuarial value of assets to determine the funding ratio. The Actuarial Accrued Liability under GASB is determined assuming that the City Plan is ongoing and participants continue to terminate employment, retire, etc., in accordance with the actuarial assumptions.

Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

Note 9: **POST EMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)**

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL)—Entry Age (b)	Unfunded AAL (UAAL) (b – a)	Funded Ratio (a / b)	Covered Payroll (c)	UAAL as a Percentage of Covered Payroll ((b – a) / c)
12/31/11	\$-0-	\$26,091,124.00	\$26,091,124.00	0%	NA	NA
12/31/14	\$-0-	\$35,793,283.00	\$35,793,283.00	0%	NA	NA

In the December 31, 2014 actuarial valuation, the projected unit credit funding method was used. The actuarial assumptions included a 4.50 percent annual discount rate of return (net of administrative expenses) and an annual healthcare cost trend rate of 8% initially, reducing by decrements to an ultimate rate of 5% after ten years. The actuarial assumptions also reflects per capita net premium costs based on actual 2014 medical, prescription drug and dental husband and spouse premiums and the plan option selected. Demographic assumptions were selected based on those used in by the State Division of Pensions and Benefits in calculating pension benefits. Health care (economic) assumptions were selected based on those used by the State Health Benefits Program in calculating the actuarial accrued liability.

As of December 31, 2014, the census included 65 participants currently receiving retiree benefits, and 103 active participants of whom 13 were eligible to retire. The average age of the active population was 43 and the average age of the retiree population was 63.

**REQUIRED SUPPLEMENTARY INFORMATION
Schedule of Funding Progress for City Plan**

Schedule of Employer Contributions

Fiscal Year Ended <u>December 31,</u>	Annual Required <u>Contribution (ARC)</u>	Percentage of <u>ARC Contributed</u>
2011	2,088,476.00	5.80%
2014	2,921,608.00	5.79%

The information presented in the required supplementary schedules was determined as part of the actuarial valuation at the date indicated. Additional information as of the latest actuarial valuation follows:

Valuation Date	December 31, 2014
Actuarial Cost Method	Projected Unit Credit Cost Method
Amortization Method	Straight line basis
Remaining Amortization	Period 30 years
Asset Valuation Method	GASB accounting methodology

Note 9: **POST EMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)**

Actuarial Assumptions:

Annual Discount Rate	4.50%
Mortality	RP 2000 Combined Healthy Male Mortality Rates Set Forward Three Years
Turnover	NJ State Pensions Ultimate Withdrawal Rates
Assumed Retirement Age	At first eligibility after completing 25 years of service
Full Attribution Period	Service to Assumed Retirement Age
Medical Trend	8% in 2014, reducing by 0.5% per annum, leveling at 5% per annum in 2020
Medical Cost Aging Factor	NJSHBP Medical Morbidity Rates

For determining the GASB ARC, the rate of employer contributions to the Plan is composed of the Normal Cost plus amortization of the Unfunded Actuarial Liability. The Normal Cost is a portion of the actuarial present value of plan benefits and expenses which is allocated to a valuation year by the actuarial cost method. The Actuarial Liability is that portion of the Present Value of Projected Benefits that will not be paid by Future Employer Normal Costs or active employee contributions. The difference between this liability and the funds accumulated as of the same date is the Unfunded Actuarial Liability.

Note 10: **COMPENSATED ABSENCES**

The City permits employees to carry over vacations days from year to year. Additionally, union contracts and personnel policy allows employees to accrue unused sick days. Compensated Absence packages differ according to the various union contracts.

The City does not record accrued expenses related to compensated absences. However, it is estimated that, at December 31, 2014, accrued benefits for compensated absences are valued at \$1,484,765.23.

Note 11: **DEFERRED COMPENSATION SALARY ACCOUNT**

The City offers its employees a Deferred Compensation Plan in accordance with Internal Revenue Code Section 457 which has been approved by the Director of the Division of Local Government Services. The Plan, available to all full time employees at their option, permits employees to defer a portion of their salary to future years. The deferred compensation is not available to participants until termination, retirement, death or unforeseeable emergency.

Amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the City or its creditors. Since the City does not have a fiduciary relationship with the Plan, the balances and activities of the Plan are not reported in the City's financial statements.

Note 12: **LENGTH OF SERVICE AWARDS PROGRAM**

The City's Length of Service Awards Program (LOSAP) was created by a City Ordinance adopted on July 23, 2009 pursuant to Section 457 (e)(11)(13) of the Internal Service Code of 1986, as amended, except for provisions added by reason of the Length of Service Award Program as enacted into federal law in 1997. The voters of Gloucester City approved the adoption of the LOSAP at the general election held on November 3, 2009, and the first year of eligibility for entrance into the LOSAP by qualified volunteers was calendar year 2010. The LOSAP provides tax deferred income benefits to active volunteer firefighters.

Amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the City or its creditors. Since the City does not have a fiduciary relationship with the LOSAP, the balances and activities of the LOSAP are not reported in the City's financial statements.

Note 12: **LENGTH OF SERVICE AWARDS PROGRAM (CONT'D)**

As required by N.J.A.C. 5:30-14.49, the City must have an annual review of its LOSAP performed in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. There have been no eligible participants since the inception of the program, including calendar year 2014. Therefore, the review was not required for 2014.

Special Emergency	\$290,000.00	\$70,000.00

The appropriation in the 2015 Budget as adopted is not less than that required by the statutes.

Note 16: **JOINT INSURANCE POOL**

The City of Gloucester City is a member of the Camden County Municipal Joint Insurance Fund. The Fund provides its members with the following coverage:

- Workers' Compensation and Employer's Liability
- Liability other than Motor Vehicles
- Property Damage other than Motor Vehicles
- Motor Vehicles
- Environmental Legal Liability
- Storage Tank System Third Party Liability and Corrective Action
- Excess Crime Policy
- Excess Liability Policy
- Public Officials and Employment Liability

Contributions to the Fund, including a reserve for contingencies, are payable in two installments and are based on actuarial assumptions determined by the Fund's actuary. The Commissioner of Insurance may order additional assessments to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations.

Note 16: JOINT INSURANCE POOL (CON'TD)

The Fund provides the City with the following coverage:

Property - Blanket Building and Grounds
 General and Automobile Liability
 Workers' Compensation
 Environmental Liability
 Public Officials/Employment Practices Liability

Contributions to the Fund, are payable in an annual premium and is based on actuarial assumptions determined by the Fund's actuary. The City's agreement with the pool provides that the pool will be self-sustaining through member premiums and will reinsure through the Municipal Excess Liability Joint Insurance Fund for claims in excess of \$50,000 to \$200,000 based on the line of coverage for each insured event.

The Fund publishes its own financial report for the year ended December 31, 2014, which can be obtained from:

Camden County Municipal Joint Insurance Fund

Note 17: NEW JERSEY UNEMPLOYMENT COMPENSATION INSURANCE

The City has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method." Under this plan, the City is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The City is billed quarterly for amounts due to the State. The following is a summary of City contributions, reimbursements to the State for benefits paid and the ending balance of the City's trust fund for the current and previous two years:

<u>Year</u>	<u>City Contributions</u>	<u>Amount Reimbursed</u>	<u>Ending Balance</u>
2014	\$ 21,636.82	\$ 24,175.20	\$ 61,739.24
2013	22,428.01	36,168.04	66,558.17
2012	19,350.23	43,837.96	97,771.38

It is estimated that unreimbursed payments on behalf of the City at December 31, 2014 are \$2,280.55.

Note 18: REDEVELOPMENT

The Mayor and Common Council of the City of Gloucester City, acting as the Gloucester City Redevelopment Entity entered into an agreement with Southport Renewal, LLC ("the Redeveloper") for the purposes of the City facilitating the environmental remediation and redevelopment of the redevelopment area in accordance with the established redevelopment plan. The City is obligated to engage a Licensed Site Remediation Professional, obtain title to the Gloucester Titanium Property and pursue acquisition of additional properties with respect to the redevelopment area, including exercising its power of eminent domain. On June 25, 2015, the City passed an Ordinance and executed an agreement for the purchase of the Gloucester Titanium Property. The Redeveloper will maintain a checking account for which the City will not have any control other than all disbursements from this account shall be approved by the City. Therefore, these funds are not included in the City's financial statements.

Note 19: **PRIOR PERIOD ADJUSTMENT**

During 2014, the City received payment on a Regional Contribution Agreement loan that was previously unrecorded in the amount of \$11,600.00. As a result, the beginning balance of the Regional Contribution Loans Receivable and the corresponding Reserve has been restated as follows:

Balance December 31, 2013	\$ 1,845,269.00
Regional Contribution Agreement Loan Issued	<u>11,600.00</u>
Balance December 31, 2013 (Restated)	<u>\$ 1,856,869.00</u>

Note 20: **LITIGATION**

The City is a defendant in several legal proceedings that are in various stages of litigation. It is believed that the outcome, or exposure to the City, from such litigation is either unknown or potential losses, if any, would not be material to the financial statements.

Note 21: **SUBSEQUENT EVENTS**

As of December 31, 2014, there are three tax appeals on file against the City for three properties. The total current assessed value of the properties under appeal is \$2,794,600.00. The City anticipates two of these appeals will be withdrawn.

The City approved and commenced a revaluation of all City property in 2013. The revalued assessments are effective in 2015.

Subsequent to December 31, the City authorized additional Bonds and Notes as follows:

<u>Purpose</u>	<u>Date</u>	<u>Amount</u>
General Capital:		
Bonds and Notes:		
Acquisition - Various Capital Equipment	May 28, 2015	\$ 124,925.00

SINGLE AUDIT

FOR THE YEAR ENDED DECEMBER 31, 2014

**REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND REPORT ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY OMB CIRCULAR A-133 AND STATE OF NEW JERSEY
CIRCULAR 15-08-OMB**

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and
Members of the City Council
City of Gloucester City
Gloucester City, NJ 08030

Report on Compliance for Each Major Federal and State Program

We have audited the City of Gloucester City's, in the County of Camden, State of New Jersey, compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement and the New Jersey State Grant Compliance Supplement that could have a direct and material effect on each of the City's major federal and state programs for the year ended December 31, 2014. The City's major federal and state programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal and state programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey; OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations; and State of New Jersey Circular 15-08-OMB, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid. Those standards, OMB Circular A-133 and State of New Jersey Circular 15-08-OMB require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination of the City's compliance.

Opinion on Each Major Federal and State Program

In our opinion, City of Gloucester City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for year ended December 31, 2014.

Report on Internal Control Over Compliance

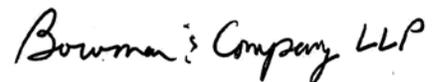

Management of City of Gloucester City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with OMB Circular A-133 and State of New Jersey Circular 15-08-OMB, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Gloucester City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133 and State of New Jersey Circular 15-08-OMB. Accordingly, this report is not suitable for any other purpose.

Section 2- Schedule of Financial Statement Findings (Cont'd)

Finding No. 2014-001

Criteria or Specific Requirement

Expenditures made through the City's revolving Urban Development Action account may not be in compliance with administrative requirements.

Condition

The controls in place by the City over the monitoring and disbursing of Urban Development Action funds are not operating effectively. The City has not been fulfilling the expenditure allocation as stipulated by the self-enforced agreement.

Context

There were expenditures made from the City's revolving Urban Development Action account that were not in compliance with requirements that were part of the self-enforced agreement as follows:

- 1) Loans were made to two entities in excess of \$50,000 and for terms greater than 5 years.
- 2) Expenditures for Economic Development loans exceeded maximum percentages for these types of expenditures.

Effect

The funds remaining in the Urban Development account may be subject to forfeiture or the City may have to reimburse the account.

Cause

Although the City diligently reviews expenditures and meets regularly with professionals for guidance, they did not determine that prior administrative requirements were still in effect or had been revised. The City could not document that administrative requirements had been revised.

Recommendation

That the City obtains documentation relating to revised administrative requirements with respect to the Urban Development Action self-enforced agreement.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

Section 2- Schedule of Financial Statement Findings (Cont'd)

Finding No. 2014-002

Criteria or Specific Requirement

N.J.S.A. 40A:11-6.1 requires quotes to be obtained for expenditures that exceed 15% of the entity's bid threshold.

Condition

Quotes were not obtained for the purchase of a trailer, printing services, uniforms, and plant maintenance.

Context

Quotes were not obtained for four purchases greater than 15% of the bid threshold.

Effect

The City is not in compliance with State statutes.

Cause

There was a lack of oversight by the responsible official to ensure compliance with applicable laws.

Recommendation

That the City comply with all relevant statutes pertaining to the procurement process.

View of Responsible Officials and Planned Corrective Action

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.
