- 319(h) Grant Update – grant ends 5/21

 - GHS project – Craig and Matt issuing contract to Erics Nursery in Mount Laurel for near \$70,000. Once contracted, schedule will be set for summer 2020.
 - Cherry Street - rain garden - Eric to install diversion for water into garden.
 - May have \$10-\$15K to spend on other projects once final values come in for GHS project – will confirm ideas and make a plan at March meeting.

NJ Tree Foundation - no tree plantings on board yet.

Lori announced that PSE&G trees on Miller Avenue were indeed planted by PSE&G and they will be removing them to install sidewalk. Question is where can we remove and put them. May need Utilities dept. help.
