

# GLOUCESTER CITY REDEVELOPMENT/REHABILITATION PLAN

Gloucester City is developing a redevelopment/rehabilitation plan for several sites along commercial corridors in the City. This could bring new life to our commercial areas, allowing people living within walking distance to utilize our many shops and restaurants. Below, find out where potential redevelopment and rehabilitation may occur, and check out some potential sites and what they could look like in the future.

## POSSIBLE REDEVELOPMENT SITES

22 King Street (O'Haras)

200 King Street

200 S. Broadway (Jack's Twin Bar)

## WHAT COULD THIS LOOK LIKE?

Wyndmoor (New Construction)

Chestnut Hill (New Construction)

Woodbury (Before)

Woodbury (After Redevelopment)
