Where Great Things Are Happening!

Earth Machine Composters

"Gloucester's Goin' Green"

Gloucester City invites you to "Go Green" by using the Earth Machine Composter. This is the best way to recycle biodegradable household items into useful compost for any garden. We can all save the environment for future generations as well as our own!!!!

Purchase an Earth Machine Composter at the Municipal Building and it will be delivered to your home..... (delivery for Gloucester residence only)

Print out this form, fill in your information and bring or e-mail it to the Municipal Building at 512 Monmouth Street, Gloucester City, NJ 08030.

Gloucester City residence with valid I.D. \$30.00

Non-residence \$60.00
